

ENVIRONMENT POLICY

M/s. Punjab Steels is committed to ensure an eco-friendly environment by establishing, maintaining and continually improving an Environmental Management System with Specific emphasis on following:

- We shall consider Environmental factors right from the stage of planning, design and operation of project to ensure that principles of conservation and sustainability are adhered to.
- We shall strive to comply with all the applicable environmental and related legal and other requirements and whenever feasible, strive for 'beyond compliance' leadership
- We shall comply with environmental legislation and other requirements
- We shall communicate our environmental policy to all the employees, customers, business associates and other stakeholders and ensure that the reporting of the environmental related compliance is done through appropriate communication channels
- To implement all these measures, we shall devise an Environment Management Plan (EMP) which would consist of all mitigation measures for each activity to be undertaken to minimizing environmental impacts if any
- We shall engage and involve our customers, vendors and contractors in following our environmental sustainability endeavors by sharing our expectations to collaboratively achieve our environmental objectives and adopting the '3-R' (Reduce, Reuse and Recycle) philosophy
- We shall review the environmental policy and allied management systems periodically to ensure continuing applicability and relevance to our operations. Preserve and enhance biodiversity in our projects and ardently promote 'green procurement' for all our new projects
- We shall continually seek to improve environmental performance by doing a regular walk-around survey of our business to ensure that we are using energy and water efficiently and the measures taken to reduce waste and pollution are effective. Also work to make money out of waste wherever possible.
- Develop each employee as environmental steward by improving his awareness levels while soliciting his commitment.
